

INTRODUCING OUR ENTERPRISE EMPLOYEE RECOGNITION PROGRAM!

JEFFERSON HEROES

We improve lives.

Employees who go above and beyond to make a positive impact on other people can become official Jefferson Heroes through Jefferson's enterprise employee recognition program. To nominate your colleague as a Jefferson Hero, visit Jefferson.edu/JeffersonHeroes. Tell us why this person has continuously impressed you through their meaningful actions and exceptional service for our patients, staff, students or community members.

AWARDS

This award is a way to thank each other for putting people first, being bold and thinking differently, and doing the right thing — values that so many of our extraordinary colleagues display every day.

TOP OF THE KLAAS

This team award recognizes cross-functional and cross-entity teams who have worked together on a project or initiative that has made a significant impact on Jefferson's patients, students, staff or community.

GOOD CATCH!

Safety is ingrained in our culture. Employees who "catch" an issue before it leads to a harmful event or address a safety concern in real time, are true Jefferson Heroes to the patients they serve.

COMMUNITY SERVICE

This award recognizes an employee who consistently demonstrates an unyielding dedication to improving their community and the lives of others.

CHAMPIONS OF DIVERSITY

This award is presented to an individual who lives and breathes behaviors that demonstrate openness in thinking and a commitment to promoting diversity, inclusion and cultural competence at Jefferson.

KUDOS

Kudos is Jefferson's peer-to-peer recognition award. Through myJeffHub, employees can send others a "Badge of Honor" for a job well done. To access Kudos, sign into myJeffHub, search the employee you wish to recognize, and on their employee profile click on the "Actions" dropdown to select "Send a Kudo."
